执行校长 李亚男

Dear friends,

Welcome to Changwai Bilingual School (CBS)! CBS is a fifteen-year coherent international school, an IB World Member School that provides a K-12 curriculum, and an Oxford AQA Gold School. Our school draws on the strengths of both Chinese and international curricula to provide high-quality bilingual education, build a comprehensive curriculum system, innovate teaching methods, and create a diverse and inclusive learning community that fosters lifelong learning and all-round development.

Our educational vision is "Be deeply rooted in China, embrace the world, lead the future, and create beauty." We encourage learners to think globally and act locally, to understand and appreciate both local and global cultures. We are dedicated to cultivating outstanding citizens of the future world who possess a sense of happiness, humanistic qualities, scientific spirit, and global awareness. They will participate in personal and social affairs with confidence and determination.

We strive to build communities of learners, attract teachers from diverse backgrounds around the world to teach and learn together, and encourage parents and children to keep up with the times. Through understanding and respecting local and global cultures, we aim to contribute to building better schools, learning communities, and a more peaceful world.

CBS Executive Principal  
Ms. Nancy LEE
